Returning stallholders have the opportunity to renew their previous site from 6th October – 14th November 2025.

We welcome new exhibitors to apply for a site after the above period. It is recommended new exhibitors call the Site Coordinator prior to discuss the product / service offering in order to recommend the best available site.

Boundaries of sites

Each site has a boundary which must not be exceeded. If site holders exceed their site boundaries, they will be asked to rectify the situation or be liable for charges applicable to the costs of larger sites. The boundary rules and regulations apply to **all** sites - outside site holders and Fred Moule Exhibition Centre exhibitors.

Outside Sites: The Sites Coordinator and Site Stewards will be patrolling the event to monitor site boundaries. A warning will be given to exhibitors who are found to be outside the site boundaries. Subsequent warnings will not be issued and the Site Coordinator reserves the right to terminate an exhibitor's participation from the Cairns Show without notice or compensation.

Fred Moule Sites: Please note that site dimensions are nominal and to the centre of partitions only and not to the extent of carpet flooring tiles.

Exhibitor car parking

There is an allocation of car parking available to all exhibitors behind the Horticulture Pavilion (normally the Cairns Recreation Youth Centre) at an additional cost.

the time of application that meets the AS/NZS 5601 gas installation safety standards.

Any gas system in a commercial vehicle (including mobile kitchens and food vans/trailers) **must be checked and certified for compliance on an annual basis**.
